

SECTION 00 10 00 – INVITATION TO BID

NOTICE: The Kittitas Reclamation District (“District”) hereby gives notice that it will accept sealed Bids for the construction of the South Branch Canal Lining – Swede to Robinson Creek project (“Project”).

PART 1 – GENERAL

1.01 BID SUBMISSION

The District will receive sealed Bids at the location listed below until **2:00 p.m. local time on Oct. 5th, 2018**, and will then and there open and publicly read the Bids for the construction of the improvements.

Kittitas Reclamation District
315 North Water Street
Ellensburg, Washington 98926

Submit all Bids in accordance with the procedures set forth in Section 00 20 00 (Instructions to Bidders).

1.02 WORK DESCRIPTION

Bid improvements consist of concrete lining, drainage, earthwork and other work, all in accordance with the contract plans, the contract provisions, and the specifications. The improvements follow the existing South Branch Canal alignment for a distance of approximately 2.8 miles from the Swede Tunnel outlet to the Robinson Creek siphon. Additionally, minor improvements in the vicinity of the Page Siphon are included. The bidding documents contain the full work description and Project limit details. The District intends to complete the improvements in phases. The bid improvements in this first phase are Reach 1 Milesone described as substantial completion of work related to canal lining and improvements between Stations 527+96.65 downstream and Station 509+50.00 upstream. The District, in the District’s discretion, may seek additional lining to be done by the successful bidder beyond upstream Station 509+50.00 as a change order. The District’s desire to line portions of the canal upstream of Station 509+50.00 will depend on a variety of factors, including, but not limited to, weather, cost, and the anticipated start of the 2019 irrigation season on or about April 1, 2019.

1.03 CONTRACT TIME

Contract time shall begin as defined by the Notice to Proceed and proceed through completion in accordance with Section 00 73 00 (Supplementary Conditions). Anticipated award and Notice to Proceed to allow for construction during the annual canal outage beginning in fall 2018.

1.04 BID INSTRUCTIONS

Refer to Section 00 20 00 (Instructions to Bidders) for required documents and items to be included with sealed Bids submitted to the District for the construction of the improvements.

1.05 REGISTRATION AND PROCUREMENT OF BIDDING DOCUMENTS

- A. All Bidders may register with and receive Complete sets of the Bidding Documents from the District at the following location:
Kittitas Reclamation District
315 North Water Street
Ellensburg, Washington 98926
- B. Plans, specifications, and Bidding Documents are only available electronically. After award of the contract, plans and specifications will be issued to the Contractor, if requested, at no cost.
- C. Fullsize Contract Drawings may be obtained from the District at cost of reproduction and handling, plus postage for mailing (if mailing is requested). Fullsize drawings will only be made available to firms listed as having complete sets of Bidding Documents. No return of fullsize drawings is required, and no refund will be made.
- D. Bidding Documents are for the purpose of obtaining bids for the Work. No authorization or conference of license is granted by District issuance of the Bidding Documents.

1.06 BID PREPARATION COSTS

Bidders are solely responsible for the cost of preparing their Bids.

1.07 RESERVATION OF RIGHTS

The District specifically reserves the right, in its sole discretion, to reject any or all Bids or re-Bids or to waive inconsequential deviations from Bid requirements not involving time, price, or work quality.
