

Landowner Information

The KRD is looking for better ways to communicate with our landowners regarding critical information. Information is available on our website (www.krddistrict.org), or periodically articles can be found in the Daily Record. We are still looking for opportunities to reach more people. If you would like updates sent to you by e-mail, please feel free to share your e-mail address below. You can then return it to the KRD office, or send an email to Tina: krd.tina@fairpoint.net
